

SHOWROOM / APARTMENT INTERIORS

Step inside the apartment

Rooms, materials and the details of everyday living —
photographed in the demonstration apartments.

SHOWROOM / APARTMENT INTERIORS

A home, room by room

A room-by-room visit to the demonstration apartments at the Tbilisi presentation centre, which introduces both Georgian projects. Start with the living spaces, then explore the kitchen, storage, bathroom and bedroom.

Bedroom

The first impression

A view from the entrance into the furnished demonstration apartment.

The living room

Seating, light, materials and the relationship to the dining space.

A place to gather

The dining area and kitchen in the
coastal demonstration interior.

The kitchen

Worktop, sink, illuminated cabinets and the details of daily use.

Built-in storage

A closer view of the full-height joinery and recessed handles.

The bathroom

The washbasin, fittings and illuminated storage in the demonstration interior.

The bedroom

Upholstery, bedside details and soft light
in the furnished show apartment.

Materials & details

Wood, textiles, joinery and the quieter corners of the apartment.

Moving through the home

The transition between the hallway and living space.
